Clear 'Sale-ing' Ahead for Windows!

Herb Floris

Window Sales continue their climb upward as this small but mighty department sets and break records monthly. With the help of **Annette Grocholski** and **Reggie Bird**, department manager **Herb Floris** has taken

our window business to a new level. A veteran of the window business since 1980, Herb is tops in his field. Always willing to go the extra mile to get the job done. Herb, Annette and Reggie are a cohesive group who's primary interest is in serving the customer.

With the advent of new codes, insurance credits and the 'stimulus' package (credit offered from energy conservation) plus the peace of mind today's customers are looking

for in security, windows continue to be a welcome addition to the Causeway product lineup since their debut in 2000.

Causeway is an official PGT Gold Dealer which allows us to purchase product at a deeper discount and pass the savings on to customers.

If you're looking for windows, let Herb show you the light! Come by or call Herb today at: **772-781-2332**

Spruce-Up for Design Gallery & Store

Renovation plans are underway for the Design Gallery and Store in Fort Lauderdale. Under the direction of **Pat Evans**, this very public part of our business is getting a well deserved makeover. "Our goal is to make the shopping environment more user friendly by creating space that flows more freely. Also, to arrange product that is easier for the customer to find quickly" says Pat.

The store facility has been a part of Causeway since 1958 while the company has been a vital part of the South Florida building community since 1939. Family owned and operated, our reputation for friendly service, quality products and customer satisfaction is a big part of our longevity.

Customer Service is top on Pat's list. She believes that business is kept where it is well treated. Be sure to stop by and say hi to Pat and the entire showroom team: **Allen, Jaime, Christine** and **Ingrid**. Pat would like to acknowledge **Sue Shaw, Luis Blasco** and **Courtney Bell** for all their help and support in upgrading the displays in the showroom.

We invite you to visit us on South Andrews Avenue (just south of SR 84) and experience first hand the no hassle, no pressure, uncrowded atmosphere of South Florida's most unique showroom setting for **windows, doors, mouldings and more**.
